To all the officers

Release of Information to the Electronic Media and all the Mass Media

Attention is hereby drawn on Section 06 of Chapter XLVII of the Establishments Code relating to the issue of information to all the electronic and mass media and it is stressed that every possible measure should be taken to prevent reaching the facts collected in carrying out auditing and any matter contained in the queries to any media institution, in a manner protecting the rights of the officers of the auditee institutions and the professional ethics.

02. It is however informed that the judgement No.SC/FR/76/2012 delivered by the Spume Court recently should be taken into consideration in commensurate with the circumstance.
03. In case of making enquiries by mass media, the elaborations thereon under the provisions of the Right to Information Act, are made by me or an officer authorized by me with my knowledge and it is further informed that in the event of any deviation from this procedure, action will be taken forthwith to initiate disciplinary measures against the officers involved.
