#### **Official Languages Commission - 2014**

#### -----

The audit of financial Statements of the Official Languages Commission for the year ended 31 December 2014 comprising the statement of financial position as at 31 December 2014 and the statement of financial results, statement of changes in equity and cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information, was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Section 13(1) of the Finance Act, No. 38 of 1971 and Section 17(3) of the Official Languages Commission Act, No.18 of 1991. My comments and observations which I consider should be published with the Annual Report of the Commission in terms of Section 14(2)(C) of the Finance Act appear in this report.

### **1.2** Management's Responsibility for the Financial Statements

statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

### **1.3** Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards consistent with International Standards of Supreme Audit Institution (ISSAI 1000-1810). Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements whether due to fraud or error. In making those risks assessments, the auditor considers internal control relevant to the Commission's preparation and fair presentation of financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the commission's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. Sub–sections (3) and (4) of the Section 13 of the Finance Act, No.38 of 1971 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### 4.1 Performance

### \_\_\_\_\_

According to the Action Plan for the year under review, the following matters were revealed in examining targets achieved by the Official Languages Commission.

- (a) Even though 60 Heads of Semi-Government Institutions and 47 Heads of Private Financial Institutions were expected to participate in awareness programmes of Official Language Policy, only 30 and 40 had participated respectively.
- (b) Even though the Official Languages Policy had been planned in the year 2014 in 40 institutions in which language audits had been conducted up to the year 2013, follow up action had been carried out in respect of implementation of this Policy only in 12 institutions.

### 4.2 Management Inefficiencies

\_\_\_\_\_

-------

The following observations are made.

- (a) Even though the Corporate Plan and the Action Plan should be approved before 15 days of the commencement of the financial year, the Corporate Plan of the Commission had been approved in August 2014.
- (b) A surcharge amounting to Rs.342,035 had been imposed due to non- remittance of cash on due dates to the Employees' Provident Fund.
- (c) Renting a building for the Commission

The following observations are made.

 (i) The Chairman of the Official Languages Commission had requested an extent of 650 square metres in the Sethsiripaya Building Complex from the Chairman of the Urban Development Authority on 03 November 2011. Responding to this request, the then Ministry of National Languages and Constitutional Affairs had been notified by the Letter of 06 December 2011 of the Director of the Urban Development Authority (Project Management) that it had been expected to provide an extent of 650 square metres from Phase I in the Sethsiripaya Building Complex. Nevertheless, the Commission had published a newspaper advertisement on 10 January 2014 for renting a new building with an extent of 3,500 square feet without any follow up action thereon and this was a building, rented with an extent of 6,000 square feet exceeding 71 per cent of the requirement. As such, it was observed that an extent of 2,000 square feet in the ground floor and the third floor of this building had remained idle without being utilized.

- (ii) According to the newspaper advertisement for renting a building, it had been indicated that the air conditioning had been one criterion in selecting the building. Nevertheless, the Commission had rented this building without air conditioning and entered into an agreement with a company for installation of the air conditioner and an advance amounting to Rs.374,129 had been paid thereon. Three large industrial fans had been purchased spending Rs.44,100 due to non-air conditioning of the building and action had been taken to rent this building without considering the recommendation of providing an essential facility as well of the Technical Evaluation Committee by which the building was inspected, such as air conditioning.
- (iii) The Tender Board of the Ministry which was appointed to evaluate the quotation had considered the availability of an auditorium as one requirement as well in the approval of renting this building on 06 June 2014. Nevertheless, it was observed that an auditorium was not available in this building and the Tender Board of the Ministry had informed that the owner should erect a railing for the unprotected part of this building as well. However, action had not been taken to erect this railing by the lessor even by 10 February 2015.
