

## **BOC Management and Support Services (Private) Limited - 2019**

---

### **1.1 Opinion**

---

The audit of the financial statements of the BOC Management and Support Services (Private) Limited (“Company”) for the year ended 31 December 2019 comprising the Statement of Financial Position as at 31 December 2019 and the Statement of profit or loss, Statement of Changes in Equity and Cash Flow Statement for the year then ended, and notes to the Financial Statements, including a Summary of Significant Accounting Policies, was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with provisions of the National Audit Act No. 19 of 2018. My comments and observations which I consider should be report to parliament appear in this report.

In my opinion, the accompanying Financial Statements give a true and fair view of the financial position of the Company as at 31 December 2019, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Accounting Standards.

### **1.2 Basis for Opinion**

---

I conducted my audit in accordance with Sri Lanka Auditing Standards (SLAuSs). My responsibilities, under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of my report. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### **Emphasis of matter**

---

Without qualifying my opinion, I draw attention to Note 2.1.3 to the Financial Statements which describes that the approval of the Board of Directors had been granted for winding up the Company.

### **1.3 Responsibilities of Management and Those Charged with Governance for the Financial Statements**

---

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with Sri Lanka Accounting Standard, and for such internal control as management determine is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company’s financial reporting process.

As per Section 16(1) of the National Audit Act No. 19 of 2018, the Company is required to maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic Financial Statements to be prepared of the company.

#### **1.4 Auditor's Responsibilities for the Audit of the Financial Statements**

-----

My objective is to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sri Lanka Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with Sri Lanka Auditing Standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my Auditor's Report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

The scope of the audit also extended to examine as far as possible and as far as necessary the following;

- Whether the organization, systems, procedures, books, records and other documents have been properly and adequately designed from the point of view of the presentation of information to enable a continuous evaluation of the activities of the Company, and whether such systems, procedures, books, records and other documents are in effective operation;
- Whether the Company has complied with applicable written law, or other general or special directions issued by the governing body of the Company.
- Whether the Company has performed according to its powers, functions and duties; and
- Whether the resources of the Company had been procured and utilized economically, efficiently and effectively within the time frames and in compliance with the applicable laws.

## **1.5 Financial Statements**

-----

### **1.5.1 Going Concern of the Organization**

-----

<b>Audit Issue</b>	<b>Management Comment</b>	<b>Recommendation</b>
-----	-----	-----
Note No. 2.1.3 to the Financial Statements disclosed that, the Board of Directors of the company has resolved that the company should wind up in the near future. Therefore there is no its ability to continue as a going concern and intend to liquidate the company.	No comment	Speed-up the liquidation process.

### **1.5.2 Documentary Evidences not made available for Audit**

-----

<b>Audit Issue</b>	<b>Management Comment</b>	<b>Recommendation</b>
-----	-----	-----
The balances of receivable from related parties, incentive receivables and other payables of Rs.322,818, Rs.20,800 and Rs.79,924 respectively could not be verified due to lack of documentary evidence.	No Comment	Furnish necessary documents to verify the accuracy of relevant balances.

## **1.6 Accounts Receivable and Payable**

### **1.6.1 Payables**

#### **Audit Issue**

#### **Management Comment**

#### **Recommendation**

Even though there was no tax liability as at 31 December 2019, the Statement of Financial Position disclose a tax liability of Rs.193,032 and hence the tax payable balance has been overstated in the Financial Statement by the same amount.

No Comment

Ensure that tax liability is accurately calculated and disclosed in the Financial Statements.

## **2. Financial Review**

### **2.1 Financial Result**

The operating result of the year under review amounted to a loss of Rs.53,727 and the corresponding loss in the preceding year amounted to Rs.17,048. Therefore a deterioration amounting to Rs.36,679 of the financial result was observed.

The Company had not earned operating income during the year under review. Only income was dividend income of Rs.2 and expenses were administration and establishment expenses amounting to Rs.53,729.

## **3. Operational Review**

### **3.1 Operational Inefficiencies**

#### **Audit Issue**

#### **Management Comment**

#### **Recommendation**

The principle business activity of the Company is recruitment of employees in order to facilitate manpower requirements of the Bank of Ceylon. However, the Company had not engaged in this principle activity since 2007.

No Comment

Speed up the liquidation process.
