#### 1. Financial Statements

-----

## 1.1 Qualified Opinion

\_\_\_\_\_

The audit of the financial statements of the Department of Manpower and Employment for the year ended 31 December 2021 comprising the statement of financial position as at 31 December 2021 and the statement of financial performance and cash flow statement for the year then ended was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with provisions of the National Audit Act, No.19 of 2018. The summary report containing my comments and observations on the financial statements of the Department of Manpower and Employment was issued to the Accounting Officer on 31 May 2022 in terms of Section 11(1) of the National Audit Act, No.19 of 2018. The Annual Detailed Management Audit Report relevant to the Department was issued to the Accounting Officer on 30 June 2022 in terms of Section 11(2) of the National Audit Act, No.19 of 2018. This report will be tabled in Parliament in pursuance of provisions in Article 154(6) of the Constitution of the Democratic Socialist Republic of Sri Lanka to be read in conjunction with Section 10 of the National Audit Act, No.19 of 2018.

In my opinion, except for the effects of the matters described in paragraph 1.6 of this report, the financial statements give a true and fair view of the financial position of the Department of Manpower and Employment as at 31 December 2021, and its financial performance and cash flows for the year then ended in accordance with Generally Accepted Accounting Principles.

### 1.2 Basis for Qualified Opinion

-----

My opinion is qualified based on the matters described in paragraph 1.6 of this report. I conducted my audit in accordance with Sri Lanka Auditing Standards (SLAuSs). My responsibility for the financial statements is further described in the Auditor's Responsibilities Section. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

# 1.3 Responsibilities of the Chief Accounting Officer and the Accounting Officer for the Financial Statements

\_\_\_\_\_\_

The Accounting Officer is responsible for the preparation of financial statements that give a true and fair view in accordance with Generally Accepted Accounting Principles and provisions in Section 38 of the National Audit Act, No.19 of 2018 and for the determination of the internal control that is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

As per Section 16(1) of the National Audit Act, No.19 of 2018, the Department is required to maintain proper books and records of all its income, expenditure, assets and liabilities to enable the preparation of annual and periodic financial statements.

In terms of Sub-section 38(1)(c) of the National Audit Act, the Accounting Officer shall ensure that an effective internal control system for the financial control exists in the Department and carry out periodic reviews to monitor the effectiveness of such systems and accordingly make any alterations as required for such systems to be effectively carried out.

# 1.4 Auditor's Responsibilities for the Audit of the Financial Statements

\_\_\_\_\_

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's summary report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Sri Lanka Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate and its materiality depends on the influence on economic decisions taken by users on the basis of these financial statements.

As part of an audit in accordance with Sri Lanka Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Appropriate audit procedures were designed and performed to identify and assess the risk of
  material misstatement in financial statements whether due to fraud or errors in providing a basis
  for the expressed audit opinion. The risk of not detecting a material misstatement resulting from
  fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,
  intentional omissions, misrepresentations, or the override of internal control.
- An understanding of internal control relevant to the audit was obtained in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Department's internal control.
- Evaluate the structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Evaluate the overall presentation, structure and content of the financial statements including disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Accounting Officer regarding, among other matters significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

#### 1.5. **Report on Other Legal Requirements**

-----

I express the following matters in terms of Section 6 (1) (d) of the National Audit Act, No. 19 of 2018.

- (a) The financial statements are consistent with the preceding year,
- (b) The recommendations made by me on the financial statements of the preceding year had been implemented.

### 1.6.2.1 Non-Financial Assets

-----

### **Audit Observation**

-----

The cab belonging to the Labour Department valued at Rs. 4,700,000, which was accounted as an asset of the Manpower Department, should be indicated as the deduction from the financial assets when released back to the Department of Labour, but it was stated as the disposal.

# Comments of the Accounting Officer

There were no comments.

Recommendation

Assets should be properly accounted.

# 2. Financial Review

-----

# 2.1 Expenditure Management

-----

### **Audit Observation**

-----

Due to over- provisioning for 06 capital expenditure subjects and 04 recurrent expenditure subjects, there was a savings amounting to Rs. 32,850,307 after utilization of the allocation ranged from 25 percent to 100 percent of the net allocation for those expenditure subjects.

# Comments of the Accounting Officer

-----

The expenditure of the institution was limited as per the internal circular 07/2021. Accordingly, although provisions have been alloctaed under due approval, the programmes, purchases, improvements, subsidies, allowance payments etc., which have not been started at that time, have been temporarily suspended. Therefore, we have confirmed to the treasury that we will save the provisions of mentioned the above expenditure items. Also, due to the Covid-19 epidemic in the country, there were no expenses as expected.

# Recommendation
