### Head 020 – Election Commission

# 1. Financial Statements

# 1.1 Qualified Opinion

Head 020 -The audit of the financial statements of the Election Commission for the year ended 31 December 2022 comprising the statement of financial position as at 31 December 2022 and the statement of financial performance, and cash flow statement for the year then ended, was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with provisions of the National Audit Act No. 19 of 2018. The Summary Report containing my comments and observations on the financial statements of the Commission was issued to the Chief Accounting Officer on 29 May 2023 in terms of Section 11 (1) of the National Audit Act No. 19 of 2018. The Annual Detailed Management Audit Report of the Commission was issued to the Chief Accounting Officer on 12 June 2023 in terms of Section 11 (2) of the Audit Act. This report is presented to Parliament in terms of Section 10 of the National Audit Act No. 19 of 2018 which is read in conjunction with Article 154 (6) of the Constitution of the Democratic Socialist Republic of Sri Lanka.

In my opinion, except for the effects of the matters described in Paragraph 1.6 of this report, the financial statements prepared give a true and fair view of the financial position of the Election Commission as at 31 December 2022 and its financial performance and cash flow for the year then ended in accordance with Generally Accepted Accounting Principles.

# 1.2 Basis for Qualified Opinion

My opinion is qualified based on the matters appear in Paragraph 1.6 of this report. I conducted my audit in accordance with Sri Lanka Auditing Standards (SLAuSs). My responsibilities, under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

# 1.3 Responsibilities of Chief Accounting Officer on Financial Statements

Preparation of financial statements in a manner that reflects a true and reasonable position and determines the internal control required to enable financial statements to be prepared without inadequate false statements that may result from fraud and error in accordance with Generally Accepted Accounting Principles and the provisions of Section 38 of the National Audit Act, No. 19 of 2018 is the responsibility of the Chief Accounting Officer.

As per Section 16 (1) of the National Audit Act No. 19 of 2018, the Commission is required to maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared.

The Chief Accounting Officer shall ensure that an effective internal control system is maintained for the financial control of the Commission in terms of Sub-section 38 (1) (c) of the National Audit Act and it should be periodically reviewed the effectiveness of the system and make any necessary changes to keep the system running efficiently.

# 1.4 Auditor's Responsibility on Audit of Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sri Lanka Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Sri Lanka Auditing Standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also furthermore;

- Appropriate audit procedures were designed and implemented to identify and assess the risk of possibility of quantitative misrepresentations occurred in financial statements due to fraud or errors in providing a basis for the expressed audit opinion. More than the impact of quantitative misrepresentations due to misrepresentation, the effect of fraud is strong because of malpractice, forgery, intentional evasion, misrepresentation, or evasion of internal controls can lead to fraud.
- Although it is not intended to express an opinion on the effectiveness of internal control, obtained an understanding of internal control in order to plan appropriate audit procedures occasionally.
- Evaluated the appropriateness of the accounting policies followed, fairness of accounting estimates and related disclosures made by Management.
- Evaluated whether the transactions and events underlying the structure and content of the financial statements are appropriately and fairly consisted in and presentation of financial statements including disclosures as a whole.

The Chief Accounting Officer was made aware of important audit findings, key internal control deficiencies and other matters identified in my audit.

# **1.5** Report on Other Legal Requirements

I declare the following matters in terms of Section 6 (1) (d) of the National Audit Act No. 19 of 2018 .

- (ii) Even though the assets which were identified in the Board of Survey for the year 2021 cost at Rs.6,717,017 had been disposed in the year 2022, the value had not been accounted for.

# Comments of the Chief Recommendation Accounting Officer

Due to an error occurred in the uploading of fixed assets by Department of State the Accounts in the year 2021 the of balance unfinished buildings has increased by Rs.5 million and the balance of vehicles has shown a decrease of Rs.58.33 and an increase of Rs. 10.26 million increase was in machinery shown and equipment. Due to the correction of the error in the year 2022, the opening balance has changed.

As efforts are being made to get the assets marked in the Asset List for removal of disposed goods, actions will be taken to remove it from the CIGAS programme as soon as the matter is over. The relevant

adjustments should be shown separately by indicating the closing balance of the preceding year as opening balance of the year under review.

The cost of the assets which had been disposed should be written off.

#### 2. **Financial Review**

#### 2.1 **Expenditure Management**

### **Audit Observation**

#### Due to non-preparation of expenditure estimates as per Financial Regulation 50, there were savings of Rs.288,601 and Rs.20,319,312 respectively in recurrent expenditure one object and 02 capital expenditure objects. It had ranged from 48 per cent to 100 per cent of the net provision.

# Comments of the Chief Accounting

Since expenses for food and beverages are not accounted for under food and uniform expenditure object, the provisions have been saved. Due to the distribution of allocations on a quarterly basis in 2022, the allocations of the first three quarters of the expenditure object 1303 have been saved. As the expenditure related to the expenditure objects 2002 and 2105 have not arisen, the provision has been saved.

# Recommendation

Expenditure estimates should be accurately prepared.

# 2.2 Entered into Liabilities and Commitments

The following observations are made.

	Audit Observation	Comments of the Chief Accounting Officer	Recommendation -
(a)	Due to the fact that the savings of the provision was Rs.2,300,891 and the liabilities therein was Rs. 82,051,967 in relation to 06 expenditure objects, exceeding of savings was Rs.79,751,076.	A sum of Rs.43,000,000, Rs. 3,000,000 and Rs. 1,000,000 have been deducted from the allocations made for 1409, 1301 and 1402 expenditure objects respectively. Allocations of Rs.8,300,000 have been transferred from other expenditure objects under F.R. 66 transfers. Accordingly, the savings of these expenditure objects have been exceeded.	It should enter into liabilities without exceeding provisions.
(b)	Liabilities relating to 07 expenditure objects totalled to Rs. 63,132,679 had not been shown in the Annexure iii, statement of commitments and liabilities.	Liabilities can be entered into the CIGAS programme only if the provision of programme shows a saving. Therefore, the above liability value has not included in it.	All the liabilities pertaining to the Expenditure Head should be shown accurately in the accounts.
