1.5 Audit Observations on the Preparation of Financial Statements

1.5.1 Going Concern of the Organization

Audit Issue -----	Management Comments -----	Recommendation -----
I. The Federation had made a net deficit of Rs.2,369,911 for the year ended 31 December 2022 and accumulated deficit of Rs.1,503,204 as at the end of the year under review. The Federation's current liabilities exceeded its current assets by Rs.1,503,204. This indicate that a material uncertainty exists that may cast significant doubt on the Federation's ability to continue as a going concern. However, the financial statements of the Federation do not contain a disclosure on going concern.	Federation's comments had not been submitted	Prompt action should be taken to implement mitigating plans for the significant doubt on the Federation's ability to continue as a going concern and contain a disclosure on going concern in the financial statements.
